MISSION STATEMENT

To impart a sense of conservation that
makes waste reduction and recycling second
nature.

To maximize the convenience of and provide
incentives for recycling for the entire
community.

To collect and produce the highest quality
secondary materials in the most economical
and environmentally-sound way.

To practice and encourage the purchase and
procurement of recycled materials so as to
continually improve markets for secondary
materials.

To surpass the waste reduction mandates of
the State of California Assembly Bill 939 and
other related legislation and strive for
Zero Waste.

Composting

The Burbank Recycle Center (BRC) holds
regular composting workshops for Burbank
residents. Composting bins are provided at
no charge to residents. Check our website
for upcoming dates, www.burbankrecycle.org

zero waste...
you make it happen!

City of Burbank Recycle Center
500 South Flower Street
Burbank CA 91502

Burbank Recycle Center

WASTE OIL, OIL FILTERS, AND ANTIFREEZE ACCEPTED AT BRC
Monday-Friday 8am-5pm
(closed Saturday and Sunday)

Keep oil, filters, and antifreeze separated. Place filters and antifreeze in designated drums. Used motor oil from cars and trucks limited to 15 gallons per trip. Containers not to exceed 5 gallons. Oil cannot be mixed with anything, i.e., dirt, water, solvents, gasoline, diesel, etc. BRC pays four cents per quart of used motor oil upon request. If payment for oil is desired, please notify attendant before emptying container.

Free waste oil recycling buckets are available in the administration building.
